Living labs at

innoviris.brussels
empowering research

support and stimulate research, development and innovation in and for Brussels through the funding of innovative projects by companies, research organisations and the non-commercial sector.

innoviris.brussels
empowering research

A living lab can be…

User centered

Co-creation

Empowerment

Real-life Experimentation

Bottom-up

Data gathring

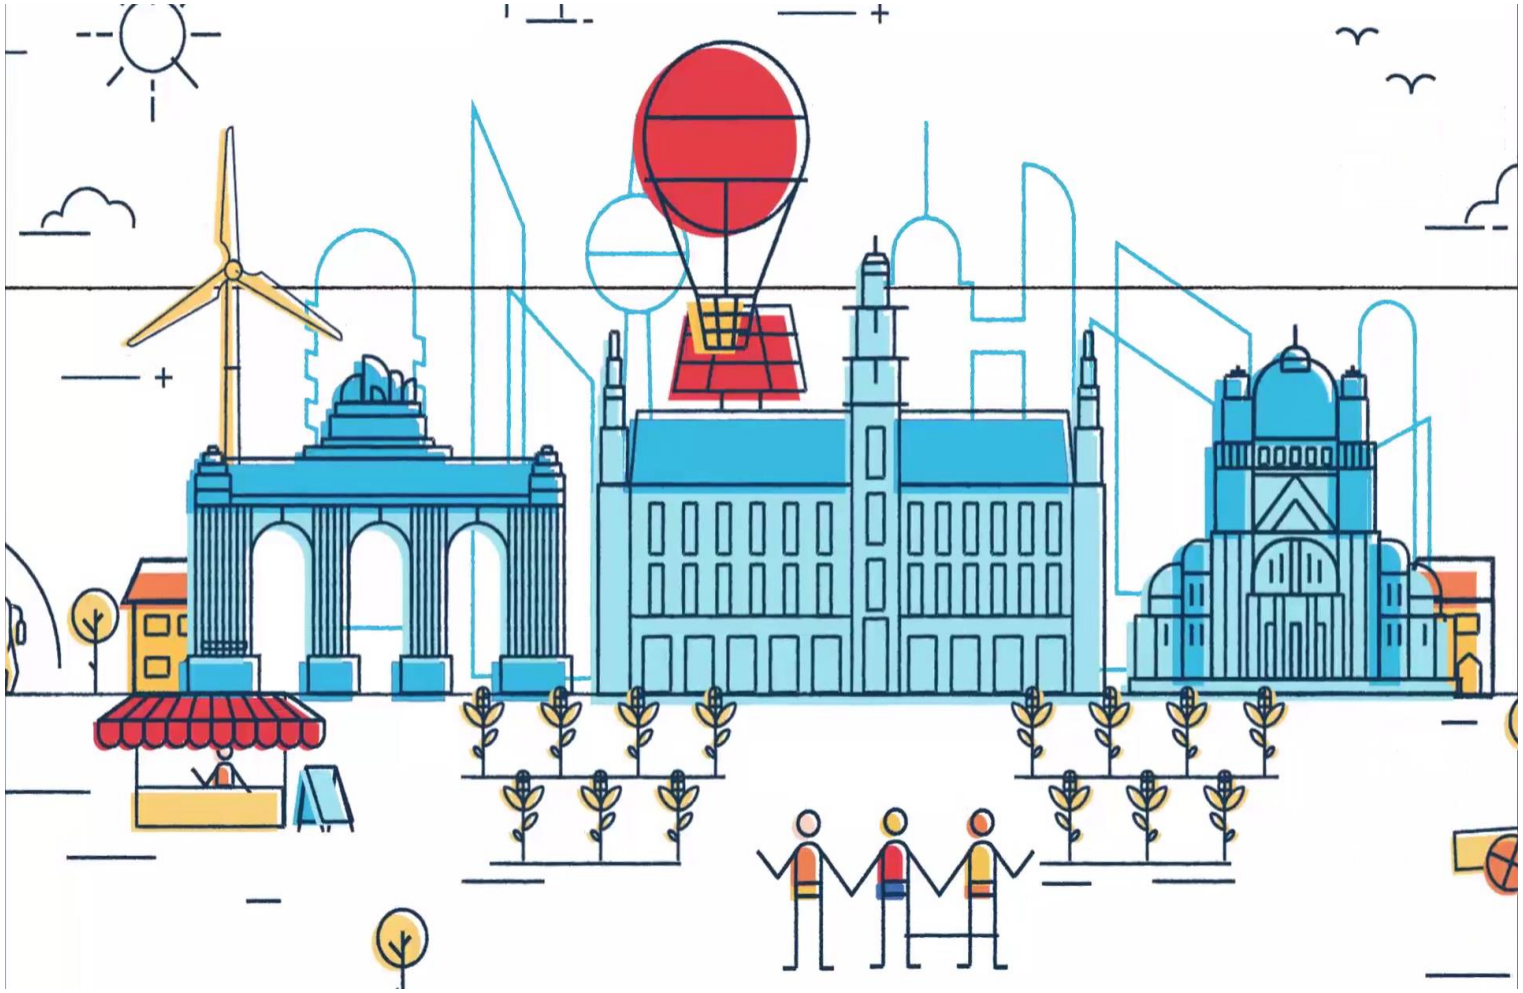
Participative

Holistic knowledge

At minimum It’s a lab to

At minimum: a living one

Go Out!



But then…

Participative

User-centered

Technocentric-holistic

Data collection

Citizen involvment

Citizen Empowerment

Testing-Validation

Co-creation

Etc…
